If attending for a fasting blood sample please make sure you have had nothing to eat or drink apart from plain water 12 hours before your appointment.

All samples will be taken by appropriately qualified staff.

The results are sent back to the hospital or to your GP, patients are usually requested to contact their GP within five to seven working days for the results.

Antibody testing will be provided to those patients referred by their GP who need blood taken as part of other tests and procedures.

For opening times please visit:  
[www.mersecare.nhs.uk/mybloodtest](http://www.mersecare.nhs.uk/mybloodtest)

Please remember to bring your  
blood test request form.
