NHS dental charge

Unless exempt, normal NHS Dental charges apply. We accept payment by cash, cheque or card. Posters in the waiting room have more information about the cost of NHS treatment. Leaflets are also available.

Your rights and responsibilities

You have a right to be treated with dignity, respect and to be seen within half an hour of your appointment time. An explanation will be given if you are kept waiting for any reason. If you are unable to attend your appointment, please let us know in advance, so that the appointment may be offered to another patient. Missed appointments waste valuable time and resources.

Disabled access

All our clinics have disabled access and toilet facilities. If you have a disability that you think we should know about please give us a call before your appointment and we will do our best to put suitable arrangements in place in order to accommodate your needs.

Requesting services

You can express a preference about which dentist you see. We will make all reasonable efforts to ensure that the request is met, but this may not always be possible. Please state who you would like to be seen by when booking an appointment.

Zero tolerance to abuse or violence to NHS staff

Patients who are violent or abusive to dental staff, reception staff, or anyone else on the premises will be refused treatment and reported to the appropriate authorities.

Data protection

Data protection law requires us to process your personal data fairly and lawfully. We take our duty to protect your personal information and confidentiality very seriously, and we are committed to taking all reasonable measures to ensure the confidentiality and security of personal data for which we are responsible. If you have any questions pick up a leaflet at your clinic or go to merseycare.nhs.uk.
