## Get set for Christmas and show your support for Mersey Care NHS Foundation Trust's staff and the people they care for.

Get set for Christmas and show support for Mersey Care's staff and the people they care for. On the shortest day of the year join with family, friends and neighbours from your own doorstep to shine light into the darkness with a sleigh-load of socially distanced community singing.

Across our region we can raise our voices to help keep hope alive and show the world that **Christmas isn't cancelled**.

Simply give a few moments of your time at 6.00pm on Monday 21 December 2020 to step outside, on to your front doorstep, and sing two seasonal songs.

By lifting our voices we can lift our spirits. When you take part don't forget to post your selfies - your 'elfies' - on social media and tag us using the hashtag **#DoorSing**.

You can join in with your own musical accompaniment or you can help St Nick with just a click and find the words and music for you to sing along with right here on these links:
